## GOLDWASSER

Created in 1598, Der Lachs is one of the oldest liqueur specialties in the world and the secret blend of herbs and spices has delighted connoisseurs for more than four hundred years. The exquisite Original Danziger Goldwasser Liqueur was once regarded as an unaffordable treasure on account of its genuine gold leaf content. As an exclusive gift, it stood as a shining symbol of affection, friendship and esteem. Its secret original formula from the 16th century remains unchanged today and is the seal of its provenance and authenticity
