## Verpoorten Egg Liqueur

Only fresh, premium quality Grade A eggs are used in the production of Verpoorten Advocaat. It's the #1 egg liqueur in the world and used in many cocktails as well as baking recipes such as cakes and desserts. Verpoorten's creamy consistency makes it perfect for layering cocktails or shots. Verpoorten is all-natural: with no artificial coloring or flavoring, it is preservative free, lactose free, and gluten free.
